

`std::false_type`

```
classDiagram
    class std_math_concepts {
        has_row_func< T, class >
    }
    class std_false_type {
    }
    std_math_concepts --|> std_false_type
```

The diagram consists of two rectangular boxes. The top box is white with a black border and is divided into three horizontal sections. The top section contains the text `std::false_type`, while the two bottom sections are empty. The bottom box is gray with a black border and is also divided into three horizontal sections. The top section contains the text `std::math::concepts` and `::has_row_func< T, class >`, while the two bottom sections are empty. A blue arrow points from the top edge of the gray box to the bottom edge of the white box, indicating an inheritance relationship.

`std::math::concepts`  
`::has_row_func< T, class >`
