

`std::false_type`

The diagram consists of two rectangular boxes. The top box is white with a black border and is divided into three horizontal sections. The top section contains the text 'std::false_type'. The bottom box is gray with a black border and is also divided into three horizontal sections. The top section contains the text 'std::math::concepts', '::has_column_capacity', and '_func< T, class >' on three separate lines. A blue arrow points from the top edge of the gray box to the bottom edge of the white box, indicating an inheritance relationship.

`std::math::concepts`
`::has_column_capacity`
`_func< T, class >`
